

Ceramics

1-week workshop - 5 afternoons from 3:30-4:30

Week Four - June 25th-June 29th

Campers will have fun making a painted glass bottle hummingbird feeder and a ceramic mobile! They will make an eye-catching, bright red ceramic flower to attract hummingbirds that will come to your yard throughout the summer. Using leaves they find outside, they will imprint their natural patterns onto the clay to make their mobiles. The children will learn to glaze and assemble their lovely, individualized hanging creations.

\$127.00 per child *(This includes the cost of materials). Minimum of 6 people.*

Camper's:

First name Last name Age

Party Responsible for Payment:

First name Last name Phone email

Please make checks payable to: **Art at Home, LLC**, remit at AMIS
